The 25 things Teacher Supreme listens for

Say what you see. Teacher Supreme gives you the words.

Cognitive Investment

Reinforce these

Signs a student is genuinely thinking, not just complying.

-  Explains Reasoning
-  Summarization
-  Sustained Focus
-  Thoughtful Questioning
-  Evidence-Based Defense
-  Transfer Strategies
-  Goal-setting

Active Participation

Reinforce these

Engagement you can see and hear, not just paper turned in.

-  Peer Teaching
-  Group Contribution
-  Peer Collaboration
-  Clarifying Questions
-  Discussion Participation
-  Help Seeking

Cognitive Withdrawal

Catch these early

The quiet ways a student checks out of the thinking, even while staying in their seat.

-  Task Avoidance
-  Low/No Effort
-  Rushed Work
-  IDK Response
-  Intellectual Guessing
-  Delayed Response

Off-Task Behavior

Catch these early

The behaviors most teachers already catch — now with the exact word for what's happening.

-  Disrupts Others
-  Side Conversation
-  Device Misuse
-  Copying Work
-  Wandering / Daydreaming
-  Defiance / Back Talk
